

The first time I saw Koda, it was love at first sight. I have two other dogs that have just fallen head over heels for him. He has been the perfect addition to our family, and we are so glad we found Seeking Shalom Acres. Melody and her family have been so helpful with the whole process in producing their customers the perfect puppy. I was really amazed that they use all-natural products that are safe and gentle for mom and puppy. Finding a breeder that is so committed to their animals and customers is hard to find. I am so thankful for the experience we had with Seeking Shalom Acres, and I hope to do business with them in the future.
