Melody-

We want to thank you and let you know what a pure joy Dolly (Blizzard) is! From the moment you handed her to us and we held her there was an instant connection- Dennis had a Great Pyrenees a young child and had dreams of having another- Well dreams do come true!

Melody- you and your family are truly special people! From the moment we decide to proceed you were there to answer any questions that we may have had- It didn't matter what the question was- from what type of brush would you recommend to holistic recipes the questions were answered. During the 8 long weeks of waiting to meet our new pup- you provided us with health updates, eating habits and wonderful pictures- Each puppy (and Blizzard was 1 of 11) received individual attention from the start-

If anyone should ask us where we got Dolly – We would proudly tell them Seeking Shalom Acres! They really have their act together! Melody and family- you have given Dolly a great start- she is well socialized, so sweet, we could go on and on- We were overwhelmed with the kindness of you and your family- and know that we can turn to you with any questions we may have now or in the future.

Dennis and I know how fortunate we were to find Seeking Shalom Acres-

Best wishes,

*Dennis & Tami*
